

BATTERY FAN TRUCK MOUNTS

16TM - For 16" Battery Fans

18TM - For 18" Battery Fans

Truck / Running Board Mount

These mounts allow crews to secure a Super Vac battery fan on the running board of your vehicle for quick access or inside a compartment for secure transportation. The mounts are configurable so that the fan can be mounted in either direction.

Model	Dimensions	Pairs With
16TM	23.25" x 12.25" x 3"	16" Battery Fans
18TM	25.25" x 12.25" x 3"	18" Battery Fans

Please specify fan model when ordering.

Safely secure a PPV with this running board mount.

Configurable mounts allow fans to be mounted in both directions.
