

BELT-CUFF DUCT ADAPTER For Smoke Ejectors

The duct adapter attaches any kind of spiral duct with a belted cuff to a smoke ejector. It simply fits over the edge of the fan and secures with two clasps. Available for 12", 16", 18", 20" and 24" smoke ejectors.

Model	Pairs With	Duct Diameter
12" Adapter	12" Industrial Exhausters/Smoke Ejectors	12" (305 mm)
16" Adapter	16" Industrial Exhausters/Smoke Ejectors	16" (406 mm)
18" Adapter	18" Industrial Exhausters/Smoke Ejectors	20" (508 mm)
20" Adapter	20" Industrial Exhausters/Smoke Ejectors	20" (508 mm)
24" Adapter	24" Industrial Exhausters/Smoke Ejectors	24" (610 mm)

Note: Not for use if the manhole is the only means of egress.
